

“Quiet and conviviality” is our leitmotiv. You will live inside the Corrèze, a wild and beautiful country, in a small typical French village.

Les Pradelles

Les Pradelles : inside the Green Country, forests and quiet waters.

We are situated in the village of Lapleau, close to the Gorges of the Dordogne and the foothills of the Massif Central inside the department known as Corrèze in the region of Limousin.

Close by are the Monédières and the Plateau de Millevaches which offer a wide choice in this beautiful unspoilt region. Be it hiking, walking cycling or fishing and swimming in the lakes and rivers nearby.

For artists and photographers there are breath taking views of the wooded plateaus, châteaux's with old buildings and churches (almost medieval) in the many villages and towns dotted around all carrying their own charm and splendour waiting to be explored. Each summer, a lot of festivals exist : in Lapleau you can watch plays in an astonishing place like la Vieille Eglise.

A region steeped in fine produce, restaurants all serving good regional cooking; Limousin famed for its beef, apples, cèpes and mushrooms, chestnuts, the famous "clafoutis" and myrtles to name a few.

For a overnight stop, a get away break/house hunting or just exploring the region, we are ideally situated for Egletons, Gimel les Cascades, Chateau de Val. Brive la Gaillarde is only 1h30 away, Tulle or Ussel both rich in architecture with bars and shops catering for varied tastes and pockets, approx. 35 minutes away.

There are good transport links by air, road and rail. Limoges International airport is approximately 1h45 away.

We can offer the cyclist a wealth of routes and safe lockable storage for bikes and the same for canoeists. Horse riding is available at Egletons and Neuvic. English speaking Estate agents in Egletons and Ussel.
